

## BOARD RECRUITMENT PACKAGE

If you are someone with an unbridled passion for music and mental health, this outstanding volunteer Board position is for you.

**THE AWESOME MUSIC PROJECT**

# THE AWESOME MUSIC PROJECT

## BACKGROUND

The Awesome Music Project is Canadian Charity whose purpose is to positively impact people's health, wellness and mental wellbeing through music stories and science.

### OUR MISSION

Make life better through music.

### OUR VISION

To create a world where people trust and integrate music into their lives to realize their abilities, learn, work, contribute to their communities and thrive.

Since its inception in 2018, the Awesome Music Project has fearlessly pursued a unique mission – **to make life better through music**. Our journey involves an unyielding commitment to integrating science and evidence into the eternal universe of musical experiences fostering awareness and engaging with diverse communities.

We are not just a charitable organization; we are mavericks in the realm of music and mental health charting an unconventional course toward a world where the transformative capabilities of music are fully realized. **We want you to be a maverick with us.**

Our vision is simple – to create a world where people trust and integrate music into their lives to realize their abilities, learn, work, contribute to their communities and thrive. By crafting innovative education programs grounded in the latest research, we aim to inspire a global shift where people use music to positively impact their wellness and mental wellbeing through music, stories, and science. The Awesome Music Project stands at the forefront, inviting individuals who share our spirit to join us as Volunteer Board Members. **Are you that person?**

## JOB DESCRIPTION

# VOLUNTEER BOARD MEMBER

We seek fearless individuals with an unbridled passion for music and mental health, coupled with a track record in fundraising, mental health advocacy and the music industry. Our ideal candidates are committed to diversity, equity, and inclusion; can bring senior management or governance experience; strategic prowess and a history of contributing to charities or not-for-profit through their time, talent, or treasure.

We are focused on providing programs for youth and seniors designed to improve health, wellness and mental wellbeing through music.

The Awesome Music Project's board is a collective of trailblazers who volunteer their time and expertise to propel our mission forward. Members are not merely stakeholders; they are catalysts for change dedicated to advancing the cause of music's impact on health, wellbeing, and life.

## IN PARTICULAR WE ARE SEEKING:

Mission-aligned individuals with exceptional collaboration, communication, and strategic thinking skills, showcasing expertise in one or more of the following:

- Trailblazers in Philanthropy and Fundraising
- Thought Leaders in Mental Health Advocacy
- Visionary Explorers in the Music Industry

## KEY RESPONSIBILITIES

You will play a pivotal role in driving the Awesome Music Project's journey by

- Embracing and being a champion the organization's mission, policies, programs, and needs
- Providing strategic governance and oversight to the Awesome Music Project
- Effectively communicating and actively contributing to board meetings
- Act as a passionate advocate for the organization, actively securing the financial resources and partnerships crucial for mission.
- Harness your connections, networks, and resources to mobilize collective action for the organization's goals.
- Identify personal connections that enhance the organization's fundraising and reputation.
- Conscientiously participate in board meetings and engage fully in any assigned committees.
- Uphold respect for diverse voices and lived experiences shaping the boardroom and organization.

Join us in forging a path where music propels positive change and working together, we amplify the Awesome Music Project's impact on our communities.
